PRELIMINARY AMENDMENT

Hon. Commissioner of Patents
Washington, D. C. 20231

Sir:

Prior to examination in this matter, kindly amend the above-identified application as follows:

IN THE SPECIFICATION:

Kindly amend the specification as follows:

Page 1, delete the paragraph starting with line 9 and replace it with the following new paragraph.

People love to share photos. No more is this principle more evident than in the new age of digital photos whether these digital photos are made by traditional film cameras and then converted into digital photos by, for example, a scanner or made with a digital camera. Moreover, sharing of photos is popular irrespective of the format (JPEG (Joint Photographic Experts Group), BMP (Bitmap), TIF (Tagged Image File), etc.) of these digital photo files.
